

# Sickness and Injury Policy

In any sports club, members can get injured or become ill, and because of the complete variety of requests made it is important that the Club has a consistent and open policy that is fair to both the member and to the Club.

As of 1<sup>st</sup> April 2019 the policy will be that:

If any member is likely to have a long term injury or illness that prevents him/her from playing he/she must let the Club know immediately.

The first two months of the injury or illness will be payable by the member but after that the Club will extend the membership by the extra months that the member is not available to play.

Please note therefore:

- there are no cash refunds or reductions of subscriptions
- you MUST tell us as quickly as possible about the injury or illness

## As an example:

Your renewal date is April. You are injured in October. You play again in February.

October and November is unchanged as the first two months are down to the member.

You cannot play December and January. Therefore, we will extend your membership by two months and your membership renewal will change from 1<sup>st</sup> April to 1<sup>st</sup> June.
